- **Perspective** - change who's speaking. Write in 1st person, 2nd person, or 3rd person.
- **Metaphors** - change the title or hook. Use quotes, puns, and figures of speech to create new titles and hooks.

**See how many different variations you can come up with.** I would love to hear your feedback and any new ideas you get using this list. I'm sitting here waiting to hear your new song. Now go write it!
